

Falcon Deluxe 1000 Dual Fuel

'I love the robust, practical rotary knobs - they're way better than touch-sensitive varieties, which are a total faff as soon as your hands are at all greasy or wet as they will be when you're cooking.'
 Nick Nairn

The Falcon 1000 Deluxe combines the build quality and performance you would expect from any Falcon appliance, with the design flair that the modern home enthusiast desires. A capacious full-length fan oven offers extensive space within this one metre footprint.

KEY FEATURES

- A rated ovens giving the best possible energy efficiency
- Multifunction oven, allows food to be cooked to perfection by selecting the correct function for the food
- Wok cradle, sturdy durable and hard wearing for stable wok cooking, easily removable and dishwasher safe for ease of cleaning
- Single handed ignition, for easy lighting of hob burners, leaving that extra hand free to cook
- Heavy duty furniture, extra tough and durable pan supports and oven furniture for long lasting quality and performance
- Stainless steel hotplate for additional toughness and durability
- 3 year guarantee for added peace of mind
- High powered central burner, ideal for dishes requiring intense heat
