

Falcon Deluxe 1000 Induction

'I love the robust, practical rotary knobs - they're way better than touch-sensitive varieties, which are a total faff as soon as your hands are at all greasy or wet as they will be when you're cooking.'
Nick Nairn

The Falcon 1000 Deluxe combines the build quality and performance you would expect from any Falcon appliance, with the design flair that the modern home enthusiast desires. A capacious full-length fan oven offers extensive space within this one metre footprint.

KEY FEATURES

- A rated ovens giving the best possible energy efficiency
- Multifunction oven, allows food to be cooked to perfection by selecting the correct function for the food
- Induction hob, for truly flexible and responsive cooking with "hot hob" indicators for added safety
- Heavy duty furniture, extra tough and durable oven furniture for long lasting quality and performance
- 3 year guarantee for added peace of mind
