

Falcon S 900 Dual Fuel

Perhaps the most important aspect of any cooker, and an area in which Falcon's range cookers excel, is responsiveness. The gas burners are fast to react, bringing dishes up to boiling point with speed and maintaining even temperatures with ease.' Nick Nairn

Our revolutionary 900mm-wide range cooker features a unique energy saving panel (E.S.P) that allows you to split the oven in half - creating a truly flexible appliance, which offers the best of both worlds. Its 108 cubic litre (full capacity) oven is ideal for large family dinners, but it quickly transforms into a compact, economical single oven for smaller meals.

KEY FEATURES

- A rated oven giving the best possible energy efficiency
- Multifunction oven, allows food to be cooked to perfection by selecting the correct function for the food
- Wok cradle, sturdy durable and hard wearing for stable wok cooking, easily removable and dishwasher safe for ease of cleaning
- Single handed ignition, for easy lighting of hob burners, leaving that extra hand free to cook
- Heavy duty furniture, extra tough and durable pan supports and oven furniture for long lasting quality and performance
- Stainless steel hotplate for additional toughness and durability
- 3 year guarantee for added peace of mind
- High powered central burner, ideal for dishes requiring intense heat
