

# Falcon Continental 1092 Induction

'If you are looking for quality and capacity without spending a fortune, the continental makes an excellent choice. This pleasing range comes with the legendary Falcon hob, 129 litres of oven space and a full width storage drawer. You get a full choice of colour options too, teamed with the professional build quality, features and performance that are synonymous with Falcon.' Nick Nairn

The Continental represents the new standard for the contemporary kitchen, by combining design-led aesthetics and a wider choice of colour options, with the professional build quality, features and performance that have become synonymous with the Falcon name.

## KEY FEATURES

- A rated ovens giving the best possible energy efficiency
- Induction hob, for truly flexible and responsive cooking with "hot hob" indicators for added safety
- Multifunction oven, allows food to be cooked to perfection by selecting the correct function for the food
- Storage drawer, for storage of pots and pans
- Porthole door, making it easy to check on food without having to open the oven door
- Heavy duty furniture, extra tough and durable oven furniture for long lasting quality and performance
- 3 year guarantee for added peace of mind
